

IQAC REPORT (2019-2024)

The Internal Quality Assurance Cell (IQAC) at CKRM College of Teacher Education has played a vital role in driving continuous improvement across all facets of the institution. From 2019 to 2024, the IQAC has spearheaded a broad spectrum of initiatives, focusing on academic excellence, cultural enrichment, community engagement, and environmental sustainability. This report encapsulates the significant activities carried out by the IQAC, along with the contributions of various clubs and committees within the college.

Key Initiatives and Activities:

Pandemic Response and Digital Learning (2020-2021):

COVID Cell Activities: The college established a COVID cell to manage pandemic-related challenges, ensuring safety and continuity in education.

Online Learning Transition: Classes were successfully shifted to Google Meet, maintaining academic rigor through virtual learning environments, ensuring that students' education remained uninterrupted.

Environmental and Social Responsibility Initiatives:

Organic Farming (2022): Initiated organic farming on campus, integrating sustainable practices into the curriculum.

Eco Club Activities (2019-2024): The Eco Club actively promoted green practices, including tree planting drives, campus cleanliness initiatives, and environmental awareness campaigns.

Forest Cleaning & Community Engagement (2019-2024): Engaged in environmental conservation efforts, including the cleaning of Karyambathikunnu village forest and community visits to tribal areas to foster environmental stewardship and social responsibility.

Solar Power System Implementation (2024): Installed a solar power system, significantly reducing the college's carbon footprint.

3. Cultural and Educational Programs:

Literary Club Activities: Magazine Publication (2019-2024):

The Literary Club published annual magazines showcasing students' literary talents, including essays, poems, and short stories.

Film Festival (FESTIVUM) (9th March 2023): Organized by the Literary Club, this event featured student-created films, encouraging creativity and expression.

Reading Day Celebrations (19th June 2023): Promoted the importance of reading through various activities, including a manuscript magazine publication.

College Day Celebrations (2019-2024): Annual cultural performances and events that highlighted the diversity and talents within the student body.

Onam and Regional Festival Celebrations: Regular celebrations of Onam, Keralappiravi Day, and other cultural festivals, fostering community spirit and cultural awareness

Extension and Community Engagement Activities:

Social Club Activities (2019-2024): Conducted various social outreach programs, including free tuition for tribal students at Jayasree HSS, which significantly contributed to their educational progress.

Awareness Programs (2019-2024): The Social Club organized events such as cybercrime awareness sessions and legal literacy classes, empowering students and the community.

Tourism Club Activities (2019-2024): Organized educational tours and heritage visits, fostering an appreciation for cultural and natural heritage among students.

Visiting the Karyambathikunnu Village & Tribal Colony (17th March 2023): Engaged students in meaningful interactions with tribal communities, fostering social responsibility.

Academic and Professional Development:

ICT and Digital Literacy Workshops (2019-2024): Facilitated workshops to enhance digital competencies among faculty and students, enabling them to effectively use technology in education.

National Seminar on AI in Classroom Transactions (9th February 2024): Explored the impact of artificial intelligence on education, equipping faculty with cutting-edge teaching strategies.

Teacher Eligibility and Competitive Exam Preparation: Provided support for exams like K-TET, NET, and SET, with regular recognition ceremonies for successful candidates.

Student Empowerment and Recognition:

Women's Day Celebrations (2019-2024): Annual events celebrating the achievements of women in various fields, including the honoring of female staff and students.

Congratulation Ceremony for NET/SET/K-TET Winners (8th March 2023): Recognized students who excelled in competitive exams, inspiring peers to pursue academic excellence.

Health and Well-being Initiatives: AIDS Day Observations and Health Campaigns (2019-2024): Organized health awareness campaigns and observed World AIDS Day to promote health education and awareness.

Physical Fitness Programs: Annual observances of International Yoga Day to promote physical and mental well-being among the college community.

Science Club Activities: Science Day Celebrations (SOLISTICE) (9th March 2023): The Science Club organized events that included science exhibitions and quizzes, aimed at sparking interest in scientific inquiry among students. **Moon Day Celebration (21st July 2023):** Conducted by the Science Club to inspire students with discussions and activities related to space exploration and lunar science.

Strategic Initiatives and Collaborations: MoUs and Partnerships (2019-2024): Entered into several Memorandums of Understanding (MoUs) with external organizations, fostering collaborations that enhanced academic and professional opportunities for students and staff. **Conclusion:**

The period from 2019 to 2024 has been marked by dynamic growth and development at CKRM College of Teacher Education, driven by the concerted efforts of the IQAC and various student clubs. The institution has successfully navigated the challenges posed by the COVID-19 pandemic, continued to champion environmental sustainability, expanded its community engagement, and enriched the academic experience through diverse cultural, literary, and scientific activities. As CKRM College of Teacher Education moves forward, the IQAC remains committed to maintaining and enhancing the quality of education, ensuring that the institution remains a leader in fostering innovation, community spirit, and academic excellence. This summary provides a comprehensive overview of the initiatives undertaken by the IQAC and various clubs at CKRM College of Teacher Education, showcasing the college's commitment to holistic development and continuous improvement.
