ANNUAL REPORTS OF PLACEMENT CELL

2023-2024

The Placement Cell at CK Raghavan Memorial College of Teacher Education plays a pivotal role in the career advancement of our students. With a vigilant and proactive approach, the cell is committed to equipping students with the necessary skills and opportunities to excel in their professional lives. Throughout the academic year, the Placement Cell has organized a variety of programs aimed at enhancing both skill development and career prospects for our students. One of the primary objectives of the Placement Cell is to provide students with ample placement opportunities. To achieve this, the cell has been actively conducting daily coaching sessions for Public Service Commission (PSC) exams, which have seen consistent participation from students. These sessions are designed to prepare students for competitive exams, thus broadening their career options. In addition to PSC coaching, the Placement Cell has also facilitated several workshops focusing on diverse areas such as communication skills, computer applications, and other essential competencies required in today's job market. These workshops are curated to meet the evolving demands of the teaching profession, ensuring that our students are well-prepared to face interviews and secure employment. The college also offers specialized courses in communication and computer applications, further enhancing the employability of our students. These courses have been instrumental in developing both the technical and soft skills necessary for a successful teaching career. As a result some students attend interviews and got Placement too. Moreover, the Placement Cell encourages a strong connection between current students and alumni, fostering a network that aids in discovering additional placement opportunities. Through these connections, students gain valuable insights and guidance, helping them to navigate their career paths more effectively. The Placement Cell at our college continues to be a cornerstone of the institution, dedicated to the professional growth and success of our students. With a comprehensive approach to career development, the cell remains committed to its mission of providing quality placement opportunities and preparing students for the challenges of the job market.

2022-2023

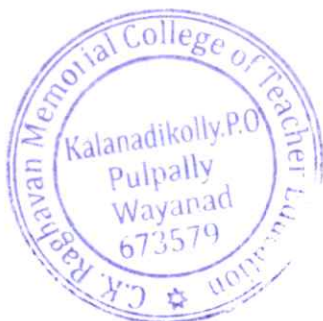

CK Raghavan Memorial College of Teacher Education has demonstrated a strong commitment to empowering students by providing them with various opportunities that enhance their personal and professional lives. With a focus on maximizing employability, the Placement Cell has actively worked towards career development, offering guidance on various courses of study and competitive exams, as well as enhancing students' soft skills to better prepare them for the challenges of the job market. During the academic year 2022-2023, the Placement Cell organized a variety of activities aimed at enriching the students' knowledge and readiness for future careers. One of the key initiatives was the daily General Knowledge sessions, which kept students informed and aware of current events, thereby improving their general awareness and critical thinking skills. On 7.03 2023, the college, in collaboration with the Internal Quality Assurance Cell (IQAC) and **OLEEVIA FOUNDATIONS**, hosted a career counselling orientation session. This session, led by Mr. Sreejith, a seasoned career counsellor, provided valuable insights into various career paths, helping students make informed decisions about their future. In addition to these activities, the Placement Cell also organized an inter-optional quiz competition, fostering a spirit of healthy competition and encouraging students to expand their knowledge base. The success of these initiatives is reflected in the placement outcomes for the year. Several students from the institution secured positions as Higher Secondary School Teachers (HSST), High School Teachers (HST), and Upper Primary School Teachers (UPST). Additionally, some students have successfully secured teaching positions abroad, showcasing the global applicability of the skills and knowledge imparted by the college. The cell continues to play a pivotal role in shaping the future of its students, ensuring they are well-prepared to face the challenges and opportunities that lie ahead.

2021-22

The Placement Cell at CK Raghavan Memorial College of Teacher Education is dedicated to empowering students by offering a range of opportunities designed to prepare them for the challenges of both personal and professional life. With a vigilant approach, the Placement Cell organized several inspiring and educational programs during the academic year 2021-2022, all aimed at enhancing students' career readiness. The key objectives of the Placement Cell include providing students with comprehensive information about various career options, creating awareness about self-employment, offering insights into different courses of study and competitive exams, and delivering general career counselling. These objectives are critical in guiding students as they navigate their future paths and make informed decisions about their careers. One of the notable initiatives of the year was the daily General Knowledge program, which proved to be highly beneficial for students. These sessions equipped students with the necessary knowledge to excel in competitive examinations, fostering a habit of extensive reading and staying informed about current affairs. On 20.11.2022, the college launched the KTET (Kerala Teacher Eligibility Test) program in collaboration with **DUCTUS ACADEMY**. This initiative was particularly valuable for students aspiring to pursue a career in teaching, providing them with targeted preparation and guidance. Additionally, the college, in association with **CAN APPROVE CONSULTANCY**, conducted a career counselling program on 29.04.2022. This program offered students valuable insights into various career opportunities and helped them explore potential career paths. Throughout the year, the Placement Cell continued to serve as a crucial link between students and their future careers by providing proper vocational awareness and guidance. The success of these efforts is reflected in the placement of students in various roles, including High School Teachers (HST), Higher Secondary School Teachers (HSST), Upper Primary School Teachers (UPST), and Assistant Professors. Moreover, some students successfully secured positions abroad, further highlighting the global relevance of the education and training provided by the college.

2020-21

CK Raghavan Memorial College of Teacher Education has a vigilant Placement Cell. Despite the unprecedented circumstances caused by the pandemic during the 2020-2021 academic year, the Placement Cell maintained its commitment to student success by organizing several inspiring and educational programs. The primary objective of the Placement Cell is to offer students comprehensive information about the diverse career options available to them, while also fostering awareness about self-employment opportunities. To this end, the cell conducted daily General Knowledge sessions via online, which were instrumental in keeping students informed and prepared for competitive examinations. These sessions were highly beneficial in enhancing students' general awareness and critical thinking skills, laying a solid foundation for their future careers. However, the pandemic significantly impacted the number of activities that could be organized by the Placement Cell during this academic year. The restrictions and challenges posed by the situation led to a reduction in the usual range of activities. Despite these limitations, the Placement Cell remained steadfast in its role as a support system for students. Several students were able to secure positions as High School Teachers (HST), Higher Secondary School Teachers (HSST), and Upper Primary School Teachers (UPST). Additionally, some students successfully obtained placements in the government sector, a testament to the resilience and adaptability of both the students and the Placement Cell. The efforts of the Placement Cell during the 2020-2021 academic year highlight its unwavering commitment to student development, even in the face of significant challenges. The cell continues to play a vital role in preparing students for their future careers, ensuring they have the resources and guidance needed to succeed in a rapidly changing world.

2019-2020

C K Raghavan Memorial College of Teacher Education has an excellent Placement Cell, which plays a crucial role in shaping the careers of aspiring teachers. The Placement Cell has organized various skill development and career enhancement programs throughout the academic year. These initiatives have been instrumental in equipping teacher candidates with the knowledge and skills necessary for a successful teaching career. The Career Guidance Cell, in particular, has been at the forefront of empowering students by providing them with the confidence and competence required to excel in the teaching profession. As a direct result of these efforts, a significant number of students have secured placements as High School Teachers (HST), Higher Secondary School Teachers (HSST), and Upper Primary School Teachers (UPST). Additionally, the college fosters a strong connection between current students and alumni, with teachers acting as mediators. This collaboration allows students to tap into a wealth of experience and discover various placement opportunities through alumni networks. The Placement Cell at our college is dedicated to ensuring the professional success of its students, consistently delivering quality opportunities and support to help them launch successful teaching careers.
